

Cathedral of St Stephen

Could you be a Guide or Welcomer?

- Are you interested in history, art, symbols?
- Would you like to learn more about the beauty, significance and fascinating history of the Cathedral of St Stephen and share it with visitors?
- Would you like to make visitors welcome?

**If so, come and volunteer with the
Cathedral of St Stephen's Welcomers and Guides**

Each weekday Welcomers are on duty in the Cathedral to greet visitors, give them information about the Cathedral and help make their visit a happy one.

Cathedral Guides are on duty each weekday. They lead a tour at 10:30am and after that are available to give tours and information to visitors. Guides also lead a wide variety of tour groups who have booked through the Cathedral office.

Guides and Welcomers receive comprehensive training to give them skills and knowledge appropriate to their roles.
