

Cathedral of St Stephen, Brisbane

# Come on a meditation pilgrimage of the Cathedral and Precinct

The cathedral and precinct is a special place for prayer and reflection. Join us for a prayerful walk through this sacred place and experience how the church and art speak to our faith. We pause at various 'stations' for reflection, Scripture and silent prayer.

This specialised tour will be conducted by a trained guide who will lead the pilgrim group during the hour and a half session to special places in the Cathedral and precinct called “stations.” At each station, participants pause, read and reflect on Scripture.

This tour is perfect for faith groups or for anyone interested in a prayerful experience as there is time for quiet prayer along the way.
