Benefits of a safe & welcoming environment

FEEL SAFE

Sharing info about what our parish does to foster a safe & welcoming environment helps make everyone feel safe.

ARE SAFE

Informing parishioners about who they can talk to about problems and how can ensure that all persons here are safe.

POSITIVE CULTURE

Including messages in our newsletter, website or social media about local efforts in safeguarding fosters a positive culture.
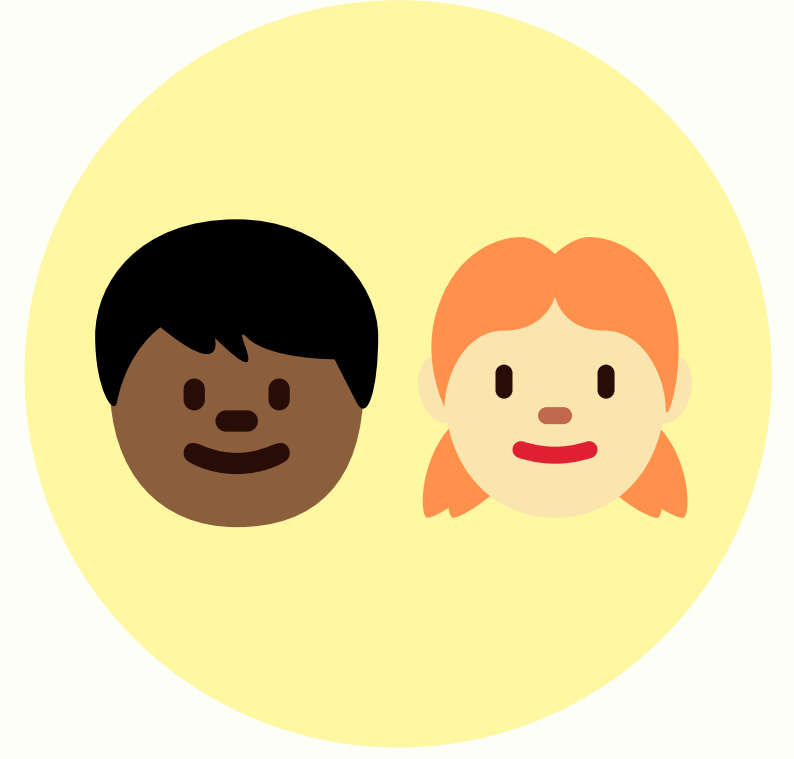

GROWTH

Publicly sharing with the wider community what our parish does to create a safe environment can attract others to join or visit.

INCLUSION

Creating a safe environment at our parish creates a sense of inclusion as all people from all cultures and backgrounds feel safe and welcome.

FUTURE LEADERS

The children and young people of today are our parish leaders of tomorrow. What we do now can help the future mission of our parish.
