

It's not OK for someone to ...

ARCHDIOCESE
OF BRISBANE

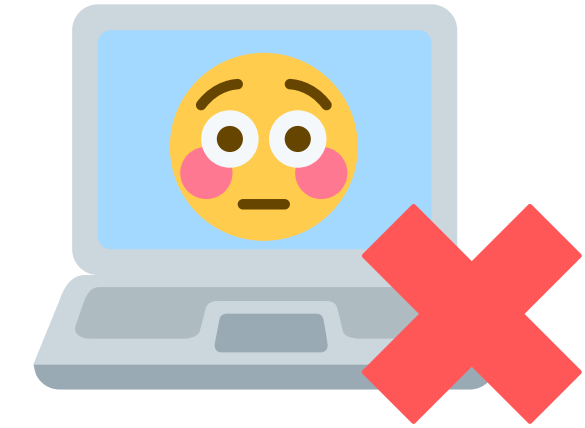

... hit you or hurt
you.

... yell or swear
at you.

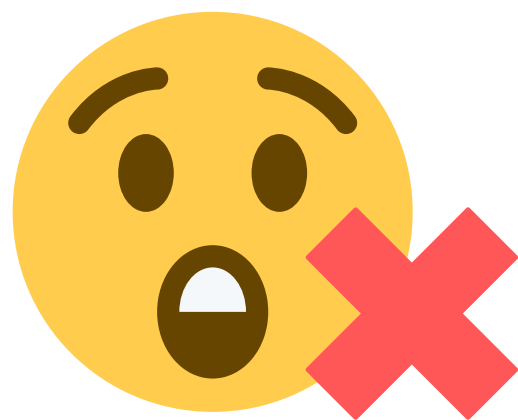

... fight in front of
you.

... show you sexual
videos or photos.

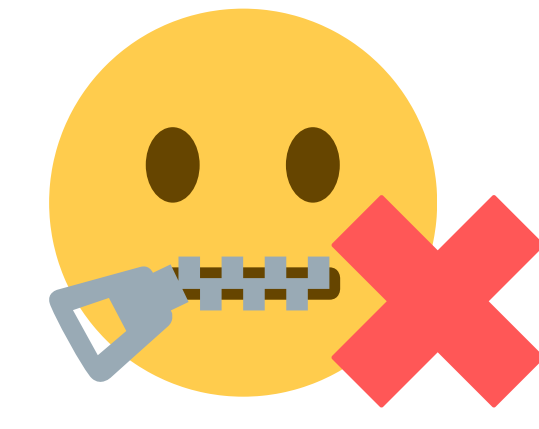

... touch your private
parts.

... show you their
private parts.

... make you touch
them.

... make you keep bad
secrets.

If it happens, it's OK to tell.
